La Colline is a Swiss cosmetics brand that benefits from the Swiss network of excellence, which is internationally recognized for its high standards and precision. It offers exceptional rituals ranging from products made only in Switzerland to cabin protocols. Its mastery of the complex formulation, of which the **CMA_{GE}**[®] complex is the signature anti-aging element, allows it to develop the best care offer possible, combining safety, efficiency and sensoriality, with a global ambition: to sublimate the beauty and well-being of everyone while working for a better world.

An intensive four-week program, **Cell Recharge** offers two concentrated formulas.

Both work in synergy through two steps:

1- Reset skin and make it available: the **Reset Serum**.

2- Boost skin energy and nourish with essential elements: the **Energizing Cream**.

Weeks 1 to 4: Reset Serum and Energizing Cream

Reset Serum

Reset Serum is formulated with three key ingredients: a **Hexapeptide**, the **Polluban Complex**, and **Lactic Acid**.

Apply morning and night for 4 weeks to the face and neck before **Energizing Cream**.

*Each week, use a new bottle of **Reset Serum**.*

Each new bottle has to be activated once as below:*

1 - Take off the cap

2 - Push onto the actuator until it clicks

3 - Shake until the solution is evenly mixed

4 - Use 1 to 2 pressions for each application

Precautions for use: avoid contact with eye contour. Avoid contact with eyes. In case of contact with eyes, wash thoroughly with water.

Storage instructions: store at room temperature (15-25°C) and away from light.

Energizing Cream

Energizing Cream offers skin essential elements it needs: 12 amino acids, 3 sugars, 5 mineral salts, **Borage Oil** which is rich in **Essential Fatty Acids**, and **Vegetal Glycerin** to hydrate skin.

Morning and night, for 4 weeks, after **Reset Serum**:

Each week, use a new jar of **Energizing Cream** and apply to the face and neck.

Precautions for use: avoid contact with eye contour. Avoid contact with eyes. In case of contact with eyes, wash thoroughly with water.

Storage instructions: store at room temperature (15-25°C) and away from light.
